

GFWC Coral Gables Woman's Club

The GFWC Coral Gables Woman's Club is a social and community service organization that represents a diverse population of dynamic women of all: ages, ethnicities, talents, and interests. In existence since 1923, the club is comprised of women who work or reside in Miami-Dade and Broward county areas.

The Coral Gables Woman's Club (CGWC) is part of the General Federation of Women's Clubs (GFWC), which is the oldest and largest women's volunteer service organization in the world. The CGWC is part of District 11 within GFWC Florida. By living the volunteer spirit, GFWC Coral Gables Woman's Club transform lives each day, not simply with monetary donations, but with hands-on projects that provide immediate impact.

Our common bond is a commitment to serving our community while enhancing and improving the lives of others through our volunteer efforts. Our club often partners with other organizations to make a positive impact. As a member of this club, you will have the opportunity to meet new friends, learn from others and share ideas and experiences with women on an international, state and local level.

We invite women who are looking to become involved in the local, national and international community in service and fellowship to join. It is a great opportunity to meet new friends while giving your time to worthy causes. Members volunteer 10 to 1000 hours, it is up to you how involved you want to be.

The club meets the first and third Wednesday of every month. Check website for updates.

The Coral Gables Children's Dental Clinic

In 1939, the Club founded the Coral Gables Children's Dental Clinic, for the children of low-income families. The clinic is located in our clubhouse, and is the primary beneficiary of our fundraising efforts. The sole purpose of this clinic is to provide dental care for school aged children residing in Miami-Dade County whose parents (families) cannot afford costly dental care and are not eligible for public health programs.

Many of these children have never visited a dentist, and the majority of them require extensive dental care, such as root canals and crowns. The initial visit includes cleaning, x-rays, and evaluation for long-term treatment. The children then visit the clinic weekly until all necessary work is completed. Our staff of dentists and hygienists provide cleaning, fluoride, and oral hygiene. Our emphasis is on prevention. Some children require extensive dental care beyond the scope of the clinic and are referred to the required dental specialist.

Services provided to these children are paid for exclusively by donations and by the fundraising activities of members of the GFWC Coral Gables Woman's Club.

Our emphasis is on PREVENTION

How to Qualify for Services

The Coral Gables Children's Dental Clinic has established the following guidelines for acceptance:

1. We must have proof of income, i.e., a W-2 form, a copy of your latest federal tax return, a paycheck stub and proof of residency in Miami-Dade County. Please attach income documentation to the application.
2. Parent or legal guardian MUST accompany patient to all visits to the clinic. If parent cannot be present, a person responsible for patient must have NOTARIZED permission from parent.
3. Patients must be full-time students still attending high school; however there are exceptions for younger children. Proof of school enrollment MUST be provided for each patient.

The Dental Clinic is housed in the historic, former Coral Gables Library at 1009 East Ponce De Leon Boulevard. For more information call 305-448-6536 or email: cgchildrensdentalclinic@gmail.com
